

GROWTH

PROGRAM TITLE: NEWS 3 @ 6am
TYPE: News
DATE OF BROADCAST: April 15, 2008
DESCRIPTION: Your April water bill will be missing the increase we told you about in February, A meeting glitch postponed the rate hike. But the county commission is reconsidering the increase today. Commissioners approved a 50 percent increase to the districts service fee in February, plus a 23 percent increase to all district customers. If approved the increases will show up on your May water bill.

PROGRAM TITLE: NEWS 3 @ 6am
TYPE: News
DATE OF BROADCAST: April 16, 2008
DESCRIPTION: A super fast train? Senator Harry Reid is pushing for a bill that would help build a magnetic levitation train. If built it would be the first train of it's kind in the U.S., but it will cost 12 billion dollars. Reid says the project is needed to relieve congestion on I-15.

PROGRAM TITLE: NEWS 3 @ 6pm
